Dear RTOERO Member;

RTOERO continues to work diligently through the pandemic to maintain programs and services to all members. We have taken all reasonable precautions to minimize the risk of transmission of the COVID-19 virus.

As the Board of Directors did last year, we have informed all district executives and members that all RTOERO in-person events and activities are cancelled and meetings will continue virtually until further notice.

Under the Canada Not-For-profit Corporations Act there is no legal requirement for districts to hold an annual meeting since they are not separate legal entities but fall under the umbrella of RTOERO.

As we did last fall, we will continue with a slight change to the election process at the district level. At this point in time, the following list of members have agreed to undertake the roles of President, Vice-President(s), Secretary and Treasurer, for the next year, as follows:

President:

First Vice-President:

Second Vice-President:

Secretary:

Treasurer:

If you are interested in standing for one of the above positions, please contact your district president, [NAME AND EMAIL] by [DATE].

If no other members express an interest in standing for any of the above positions, the list of officers will be acclaimed and no election will be held this year. If further names are added to the list for election, you will receive information about your district's election process.

Thank you for your interest in the activities of your district and in RTOERO, as we continue to safeguard the health and well-being of all members.

Best wishes,

Rich Prophet
Chair of the Board of Directors
