

RTOERO OFFICE

Over the years we have been referred to by different names, most commonly the Provincial Office, “Toronto”, “the province”, etc. As a truly national organization, however, with members from all provinces and territories, and with districts covering sea to sea, we are known now, not as the National Office, but **the RTOERO Office**.

There are 28 staff working in the Office, as well as three members of the RTOERO Foundation. All members of the RTOERO staff play a key role in helping to achieve the goals in the strategic plan. Working in the 11 Focus Groups, they assist in the development and reporting of Key Performance Indicators (KPIs) which are reported to the Board in the regular meetings and summarized at the end of each year of the plan.
