

POST-SECONDARY SCHOLARSHIPS 2025 APPLICATION INSTRUCTIONS

RTOERO is a bilingual trusted voice for healthy, active living in retirement. With members in districts across Canada, we are the largest national provider of non-profit group health benefits for education community retirees. We believe in the power of our community to secure a better future, and are committed to helping secure better futures for students, for each other, and for seniors in Canada.

Purpose of the RTOERO post-secondary scholarships

To award scholarships to post-secondary (college or university) students enrolled in programs that align with the strategic goal and values of RTOERO. These programs or fields of study should be preparatory for careers that can benefit our members and seniors in Canada.

The post-secondary scholarships are established with reference to our strategic goal:

To improve the lives of members and seniors.

Successful applicants will exhibit many of the exemplary character traits articulated in the RTOERO values of:

Accountability

Community Connection

Giving back to community

Inclusion and equity

Leadership

Service to others

Wellbeing

For more information on our goals and values, please view our [strategic plan](#)

Who is eligible for the scholarships?

Any post-secondary student recommended by an RTOERO member who is studying in a college or university program that leads to a career that will improve the lives of seniors and align with [the RTOERO Strategic Plan](#). Examples of such fields include: health sciences, medicine, nursing, personal care, geriatric health care, research into healthy active living for seniors, architects and designers of age-friendly spaces, conservation sciences, natural resource protection, pollution prevention, and education. Please note that students must be enrolled in their programs at the time of submitting their application. *RTOERO members are not personally eligible for the RTOERO post-secondary scholarship, but are encouraged to recommend students in their lives who meet the criteria. This program is only open to friends and family of RTOERO members.*

Successful applicants may be awarded the RTOERO scholarship only once.

Value of the scholarships

A total of 30 scholarships valued at \$3,000.00 will be awarded to selected applicants.

How to apply

Students can complete their application via the “Application” button on our website at <https://rtoero.ca/giving-back/scholarships/>. This will take you to our Survey Monkey Apply site, where the application is posted. You will need to click the “register” button to create an

account, and then select the RTOERO Post-Secondary Scholarship program. When you click “apply” you will be prompted to complete an eligibility quiz, which you need to pass in order to access the application. Once you have marked this task as complete, four subsequent tasks will become available: demographic information, short answer questions, application consent and understanding, and confirmation of enrollment. You will need to complete all of these sections in order to submit your final application. Once all are complete, simply select “submit”.

Please note that the Confirmation of Enrollment section requires you to upload an official Confirmation of Enrollment from your post-secondary institution, in PDF format. **This confirmation must be an official document issued by your college or university’s registrar which demonstrates that you are enrolled in your program at the time of submitting your application.** Letters of acceptance to a program or unofficial documents such as a copy of a timetable, student account or transcript will not suffice.

Hard copies of our applications are not available to download, as they must be completed online. You can, however, save your work and return to your application at a later date. Applications will be accepted until midnight on January 10, 2025.
